WHAT?

FINAL THESIS BACHELOR

You can develop your final thesis in parallel with your exchange

The Final Thesis consists of the presentation of a paper (poster, prototype, video, etc) that represents your projects developed during the final synthesis design studio and one **portfolio** containing significant projects chosen from your personal experiences.

The Thesis is done in coordination with your thesis supervisor from Politecnico

For more info:

 Students from **Interior** and **Fashion** will need to do the portfolio activity in parallel to the exchange this course can't be validated with the courses in exchange

WHAT?

FINAL MASTER THESIS

You can develop your final thesis in parallel with your exchange.

IF YOU HAVE A CLEAR IDEA BEFORE THE EXCHANGE

You can choose courses in the partner University that are connected with the topic of your thesis.

IF YOU DO NOT HAVE A CLEAR IDEA BEFORE THE EXCHANGE

Thanks to courses in the partner University you could find an interesting topic for your final thesis.

The Thesis is done in coordination with your thesis supervisor from Politecnico

The exchange does not provide a co-supervisor for the thesis in the partner University.
